

**REMARKS**

This application is a Divisional of U.S. application, Serial No. 08/521,852 filed on October 14, 1996. Claims 2 and 4 have been amended and Claim 9 has been added.

Claim 2, as originally presented, contained an inadvertent typographical error wherein a portion of the body of the claim was obviously omitted. Support for the amended Claim 2 can be found in the original specification at page 4 line 15 to page 5 line 10 and page 17 line 18, as well as in original Claim 11 of Application No. 08/521,852 to which this application claims priority. No new matter has been added in Claim 2.

Claim 4, as originally presented, also contained an inadvertent typographical error wherein the claim was written as dependent upon a claim (i.e. "claim 12") that does not exist. Support for the amended Claim 4 can be found in the original Claim 13 of Application No. 08/521,852 to which this application claims priority. No new matter has been added in Claim 4.

Support for the addition of Claim 9 can be found in Claim 11 of Application No. 08/521,852 to which this application claims priority. No new matter has been added in Claim 9.

In view of the aforementioned amendments and remarks, Applicants respectfully submit that the application in its amended form is in condition for allowance.

Respectfully submitted
